

General Order Number 14

July 9, 2012

To Officers and Members

Johnson Creek Fire & EMS Department

Effective July 9, 2012

In the interest of conserving resources, being more responsible to our environment, and contributing to a sustainable future, it shall be our practice to avoid excessive idling of our vehicles. When parked legally, and when emergency lights are not needed, the engine shall be shut off if the vehicle will not be moved for more than 10 seconds. The only exception to this General Order shall be in cold weather, generally below 32F.

This order will take effect and be in force on and after 0700 hours on the date indicated.

David F. Peterson

Fire Chief
