

## **General Order Number 28**

October 16, 2012

To Officers and Members

Johnson Creek Fire & EMS Department

### **Effective October 16, 2012**

Safety of our personnel is always our first priority. Therefore, whenever a contaminated atmosphere is suspected or possible, thought to be present, or is definitely present, all personnel shall wear their facepieces with air flowing from attached regulators from self-contained breathing apparatus (SCBA). Additionally, when prudent, consider also utilizing quad gas detectors for the detection of flammable, hydrogen sulfide, carbon monoxide, and oxygen enriched and deficient atmospheres.

This order will take effect and be in force on and after 0700 hours on the date indicated.

David F. Peterson

Fire Chief
