

[The Village of Johnson Creek, Wisconsin](#) wants to keep residents and visitors aware of community developments regarding the Coronavirus Disease 2019 (COVID-19); recognized as global pandemic by the [World Health Organization \(WHO\)](#) in March 2020.

As a Village, we constantly put the safety of our residents and visitors first. We have been monitoring COVID-19 developments and how they may affect our community. We are following guidelines from the WHO, CDC, State, and County to stay informed in order to make the best and safest decisions for the Village. Please visit our Facebook page and website for the latest information:

www.johnsoncreek-wi.us.

To keep our employees safe, we encourage residents with Village business and bill paying to do so online and with our drop box located outside Village Hall. We also encourage all to call our offices with questions rather than coming to Village Hall to honor Governor Evers' Safer At Home order. Village Hall is open for absentee voting. Please call ahead for information and times at 920-699-2296.
