

Collection days are on **Fridays** but will be delayed to Saturday due to observance of certain holidays. Please refer to the annual garbage and recycling calendar to know which holidays are observed. Service dates are highlighted through color coding and circles (bulk day) on the calendar.

Collection Program Guidelines:

Trash and Recycling must be curbside **by 6:00am on collection day.**

- Please roll containers to the end of the driveway, but not in the street.
- Containers must be **3 feet apart and 3 feet from any obstruction.**
- All waste/recycling materials must be **INSIDE** the carts; waste or bags outside of the carts will not be picked up.
- Carts are the property of Badgerland Disposal. Please do not take the containers if you moved. Residents will be required to pay for replacement carts if damages are due to negligence or abuse.

Please Help

Leave space around your carts and other objects to improve collection efficiency and help us serve you better.

<p>Good Cart Placement</p> <p>Keep Space Between Cart & Other Objects</p>	<p>Poor Cart Placement</p> <p>Objects & Carts Too Close Together</p>	<p>Place Wheels of Carts Toward House</p>
--	---	---

Items that **CANNOT** be placed in the **TRASH** container: Dirt, sod, concrete, rocks, construction or demolition debris, household hazardous waste, banned electronic waste, animal waste, leaves, grass clippings, hot ashes, or flammable materials such as oil, gas, paint, batteries, engine parts, or tires.

Safe Use and Cart Care:

- Always have the lid closed to keep rain, snow, and animals out.
- Use the handle provided to tilt, roll, and move the carts.
- To clean, simply rinse with water and let dry in the sunlight with the lid open.
- Do not place any unacceptable materials in the carts.
- In winter, be sure to clear the pathway, lids, and wheels of your containers of any snow or ice to ensure safe service.

Recycling Service:

Your recycling cart will be serviced **weekly** based on the annual calendar. The following items are banned from Wisconsin landfills and as a result must be placed in your recycling cart for proper processing, handling and/or reuse:

- Aluminum Containers
- Bi-Metal Containers (i.e., containers made from a combination of steel and aluminum)
- Corrugated Cardboard (cut into pieces no larger than 3' X 3')
- Glass Containers
- Magazines and other materials printed on newsprint
- Mixed Paper
- Plastic Containers #1 - #7 (milk jugs, laundry detergent bottles, soda and water bottles, etc.)
- Steel Containers (tin cans)

Waste Service (Trash, Garbage, Refuse):

Your trash cart will be serviced weekly based on the annual calendar. Solid waste is what most of us think of as “trash”, “refuse”, or “garbage” that is produced at home, work, or leisure. This category does NOT include any of the recyclable items listed above, any household hazardous waste, liquid latex paint, yard waste, appliances, or electronics.

Bulk Item Service:

Badgerland Disposal will provide a bulk item pick-up service monthly. Each home is allowed **ONE** bulk item or two tires off the rim per month. There is no need to call in your item, but be sure you have it out by **6:00am on your designated bulk day**. Please email townservice@badgerlanddisposal.com or call (608)580-0580 to schedule this service if it is another day besides the scheduled monthly bulk day (fees associated). See the garbage and recycling calendar for specific dates of bulk collections.

Examples of bulk waste can include, but are not limited to:

- Furniture (sofa, recliner, table, chairs, etc.)
- Mattress
- Electronic Waste (televisions, computers, monitors, peripherals, speakers, etc.)
- Miscellaneous (grills, water heaters, etc.)
- Batteries (car batteries, tolls, alkaline sealed, etc.)
- Waste Oil (contained in a labeled 1-gallon or less sealed container/jug)
- Appliances (oven, washer, dryer, etc.)
- Tires (off the rim – limit 2 per month, 8 per year)

Please containerize (box or bag) smaller bulk items such as electronics, batteries, etc. for easier handling and to maintain cleanliness in the community. If you have any questions about what “is” or “is not” considered bulk, or have special pickup needs beyond the one (1) item limitation, please contact Badgerland Disposal at townservice@badgerlanddisposal.com or call (608)580-0580.

Additional Service Offerings:

Contact Badgerland Disposal for help with commercial dumpsters, roll-off dumpster services for cleanouts / remodels / demos / builds, or portable restroom services. More on their additional services at www.badgerlanddisposal.com.
